

SUBJECT: COMPANY INTRODUCTION LETTER

ADMIRA PET FOOD INDUSTRY S.P.A. is a company specializing in the production of dry food for dogs and cats, located in the industrial area of Frosinone (FR).

For generations, we have been committed to sustainability; for us, the resources that the earth provides are synonymous with life and respect for the environment. With this in mind, we were founded to bring to our four-legged friends products tailored to every stage of their lives, using raw materials that we personally select and enhance through our affiliated companies.

Our mission is to meet all our clients' needs and exceed their expectations through continuous commitment and research carried out by our highly qualified staff.

We believe in continuous innovation to improve both the effectiveness of our products and our production efficiency. Our products are formulated following rigorous quality control protocols.

Our promise is to always nourish our companions in an honest and transparent way.
