

Klicker®

Turkey's First Grain-Free & Gluten-Free Pet Food!

HERMOS

The Power of Nature Inside Klicker

Inspired by the nature of our pets, we offer healthy nutrition with easy-to-digest, high-taste, and completely fresh meat-based formulas. Less carbohydrate, more protein!

 Less Carbonhydrate, more protein!

 Minimizes allergy risk.

 Real meat provides healthy weight control with low carbohydrate content

 Eliminates the grain load on the digestive system.

Ingredients from Nature

 Blueberry: A powerful antioxidant source, supports the immune system and protects urinary health.

 Peas: Contain essential amino acids to support muscle development.

 Pumpkin: A fiber source, aids digestion and supports the urinary system.

 Potato: Rich in vitamins and minerals, a healthy energy source.

 Pomegranate: Supports cartilage development, reduces infection risk.

 Carrot: Protects eye health and strengthens the immune

 Salmon: Contains Omega-3 and Omega-6 fatty acids to support coat health.

 Red/White Meat: A high-quality protein source, supports muscle development.

 Olive Oil: Cleanses the liver, regulates digestion, strengthens bones.

Health from Fresh Meat

Produced using a liquefied fresh meat injection system for 99% digestibility, exceptional taste, and natural quality.

99% Digestibility & Unique Taste

- FMIS, a first in Turkey, is a system developed by injecting fresh meat into the food.
- Nutritional values are preserved, and proteins become easier to digest.

More Natural & Tasty Food

- The natural aroma of fresh meat is preserved, eliminating the need for extra artificial flavorings.
- Offers a more appetizing and healthy feeding experience for dogs and cats.

Grain-Free & Allergy Risk Reducing Formula

- Does not contain grains or gluten, avoiding carbohydrate overload.
- Contains high-quality animal protein instead of grains that can cause allergies.

Strong Immunity & Healthy Development

- Omega-3 and Omega-6 support skin, coat, and joint health.
- Vitamins and minerals strengthen the immune system.

A better future is our responsibility

- Our factories are powered by the sun! Up to 40% of the energy we use comes directly from solar energy.

- We are starting to make our packaging recyclable as of 2025. Because taking responsibility for the future is part of who we are.

- By measuring our carbon footprint, we are taking a step forward and continuing with determination to offer healthy and natural food to our pets. The health of our planet is as valuable to us as the happiness of our animal friends!

- Our commitment to a better world knows no bounds: We are committed to achieving zero-waste production standards by 2030 in accordance with the principles of the circular economy
