# ***Dental Sticks***

## **INTRODUCING PRINCE DENTAL STICKS**

A delicious and nutritious treat crafted to support your dog's dental health and overall well-being. Each pack of 7 sticks comes in four tasty flavors (Duck, Lamb, Turkey, and Seaweed) and includes minerals like Sodium Hexametaphosphate to reduce tartar and freshen breath. Enriched with calming herbs like chamomile, mint, and lemon balm, these treats also aid relaxation and digestion, while glucosamine, MSM, and chondroitin promote joint health. Natural antioxidants ensure freshness, making Prince Dental Sticks a tasty and beneficial addition to your dog's daily care routine.

GRAIN FREE | GLUTEN FREE | GMO FREE | FILLERS FREE

ULTRA PREMIUM

★★★★★★

## Taste of Nature

### OFFERS MORE THAN JUST FOOD

It's a life philosophy for your dog. Give your loyal companion the best possible nutrition and enrich its life with a balanced blend of high-quality ingredients. Choose wisdom, choose well-being, choose Taste of Nature. Your dog will thank you.

Grain Free

Mono Protein

Healthy bones and muscles

High palatability

High digestible

Healthy skin and coat

Fortifies immune system

Healthy liver

#### Monoprotein with Sweet Potatoes

Give your dog the essence of nature with our monoprotein formula. High-quality animal protein combined with nourishing sweet potatoes enables easy digestibility and minimizes allergic reactions.

#### Grain-Free

We consciously avoid grains to ensure the highest level of compatibility and well-being. Perfect for dogs with sensitive stomachs, sensitive dogs, or animals prone to allergies.

#### Healthy Joints, Bones, and Muscles

Provide your best friend with the best conditions for an active life. Our carefully selected ingredients, rich in glucosamine and chondroitin, promote strong joints, healthy bones, and robust muscles.

#### High Palatability

A feast for your dog's palate. Through a gentle manufacturing process, natural flavors and taste notes are preserved, creating an irresistible meal your dog will love.

#### Healthy Gut and High Digestibility

A balanced gut flora is the key to health. Our fibers and support optimal digestion and promote gut health.

#### Healthy Skin and Shiny Coat

Omega-3 fatty acids, biotin, and other essential nutrients nurture skin and coat, resulting in a radiant appearance.

#### Immune System Strengthening

Our unique blend of vitamins, minerals, and antioxidants supports the immune system and protects against diseases.

#### Anti-Aging Effect

Let your dog age gracefully. The specially selected ingredients contribute to slowing down the aging process and enhancing vitality.

#### Healthy Liver

The careful selection of ingredients promotes liver health and helps maintain organ well-being.

#### Controlled Stool Odour

Further proof of the balanced quality of our food. We minimize unpleasant stool odour and ensure regulated digestion.

*“A fusion of traditional extrusion combined with cold pressed production process, to guarantee the highest technological standards, for your furry companion.”*

# SUPER PREMIUM ★★★★★ excel

## ELEVATE YOUR DOG'S NUTRITION WITH COLD PRESSED EXCELLENCE

Introducing Prince Excel, a cutting-edge dry dog food meticulously crafted to redefine your furry companion's dining experience. Prince Excel stands at the forefront of pet nutrition, seamlessly merging traditional extrusion with an innovative cold-pressed production process. Prince Excel isn't just dog food; it's a powerhouse of nutrition tailored to meet the needs of active or working dogs and energetic puppies.

### Quality Starts with the First Ingredient: Pork

Our first and foremost ingredient is premium pork, selected for its exceptional taste and nutritional benefits.

### 70% Animal Protein for Unrivalled Vitality

With an astonishing 70% animal protein content, this formula is designed to provide the essential fuel for robust energy levels and peak performance. Whether your dog is a working dog or a spirited young pup, Prince Excel offers the nutrition required to thrive.

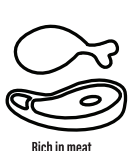

### Why you should choose Prince Excel

**Innovative Fusion:** Our unique blend of traditional extrusion and cold-pressed production guarantees the highest technological standards in pet food.

**Premium Pork:** The use of premium pork as the primary ingredient sets the stage for a delightful and nutritious meal.

**High Animal Protein:** With a remarkable 70% animal protein content, Prince Excel caters to active dogs and puppies, supporting their energy and growth needs.

**Wholesome Nutrition:** Prince Excel is designed to deliver optimal nutrition and vitality.

# THE PERFECT BALANCE FOR YOUR DOG

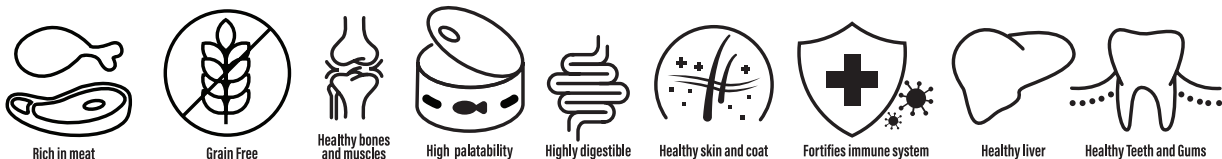

GRAIN FREE | GLUTEN FREE | GMO FREE | FILLERS FREE

PREMIUM  
★★★★★  
**GRAIN FREE**

## EXPERIENCE THE PINNACLE OF PET NUTRITION WITH OUR PRINCE GRAIN-FREE LINE

A premium grain-free dry dog food meticulously crafted to cater for dogs of all life stages. Uncompromising in quality and packed with essential nutrients, this exceptional formula offers a multitude of benefits that will leave your furry companion thriving.

**All Life Stages** Prince Grain Free is formulated to meet the unique dietary needs of dogs at all life stages, from playful puppies to wise seniors.

**Grain-Free Excellence:** Our recipe is completely free from grains, making it an ideal choice for dogs with grain sensitivities or allergies.

**High-Quality Ingredients:** We source only the finest ingredients, with real meat as the primary ingredient. This ensures your dog receives the essential protein needed for muscle development, energy, and overall vitality.

**Balanced Nutrition:** Meticulously balanced to provide a comprehensive spectrum of nutrients, including vitamins, minerals, and antioxidants, supporting your dog's overall well-being.

**Healthy Skin and Coat:** Rich in Omega fatty acids, our formula promotes a lustrous coat and healthy skin, reducing itchiness and dryness.

**Digestive Health:** With easily digestible ingredients, this food is gentle on your dog's stomach, promoting regular bowel movements and reducing the risk of gastrointestinal discomfort.

**Joint and Bone Support:** Our recipe includes ingredients like glucosamine and chondroitin to support joint health and maintain strong bones, ensuring your dog's agility and mobility.

**No Artificial Additives:** We steer clear of artificial colors, flavors, and preservatives, ensuring that your dog's diet is as natural and wholesome as possible.

**Taste Sensation:** Dogs adore the irresistible flavors of Prince Grain Free, making mealtime a joyous occasion and encouraging even the pickiest eaters to savor every bite.

# THE PERFECT BALANCE FOR YOUR CAT

GRAIN FREE | GLUTEN FREE | GMO FREE | FILLERS FREE

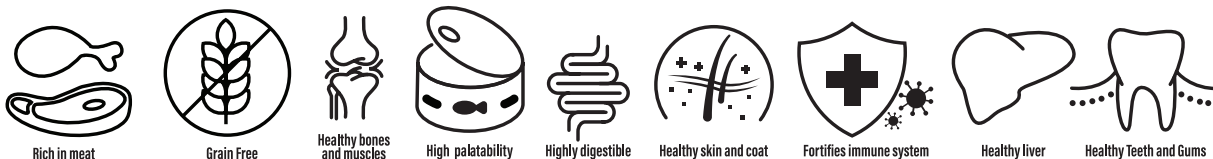

## PREMIUM ★★★★★ GRAIN FREE

KITTEN / ADULT

### EXPERIENCE THE PINNACLE OF PET NUTRITION WITH OUR PRINCESS GRAIN FREE CAT AND KITTEN LINES

A premium grain-free cat food meticulously crafted to cater for cats of all life stages. Uncompromising in quality and packed with essential nutrients, this exceptional formula offers a multitude of benefits that will leave your furry companion thriving.

**All Life Stages:** Prince Grain Free is formulated to meet the unique dietary needs of cats at all life stages, from playful kittens to wise seniors

**Grain-Free Excellence:** Our recipe is completely free from grains, making it an ideal choice for cats with grain sensitivities or allergies

**High-Quality Ingredients:** We source only the finest ingredients, with real meat as the primary ingredient. This ensures your cat receives the essential protein needed for muscle development, energy, and overall vitality.

**Balanced Nutrition:** Meticulously balanced to provide a comprehensive spectrum of nutrients, including vitamins, minerals, and antioxidants, supporting your cat's overall well-being

**Healthy Skin and Coat:** Rich in omega fatty acids, our formula promotes a lustrous coat and healthy skin, reducing itchiness and dryness

**Digestive Health:** With easily digestible ingredients, this food is gentle on your cat's stomach, promoting regular bowel movements and reducing the risk of gastrointestinal discomfort

**Joint and Bone Support:** Our recipe includes ingredients like glucosamine and chondroitin to support joint health and maintain strong bones, ensuring your cat's agility and mobility

**No Artificial Additives:** We steer clear of artificial colors, flavors, and preservatives, ensuring that your cat's diet is as natural and wholesome as possible

**Taste Sensation:** Cats adore the irresistible flavors of Prince Grain Free, making mealtime a joyous occasion and encouraging even the pickiest eaters to savor every bite

# PREMIUM ★★★★★★ CLASSIC

## INTRODUCING OUR CLASSIC COMPLETE MEALS, A LINE OF PREMIUM WET CAT FOOD AVAILABLE IN 170G CANS.

Crafted with utmost care, these recipes promise to delight your cat's palate while providing essential nutrition. Our Classic Complete Meals are meticulously balanced with a high protein content using the only the best quality of ingredients, ensuring your cat gets the energy and muscle support they need. Beyond the basics, we've gone the extra mile, incorporating over 48 micro-ingredients into each can. These micro-ingredients are carefully selected to deliver a comprehensive and balanced diet, including essential vitamins, minerals, antioxidants, and omega fatty acids, all contributing to your cat's overall well-being.

In addition to the exceptional nutritional profile, our Classic Complete Meals are designed to cater to various taste preferences, making mealtime an exciting experience for your feline friend. We also offer specialised formulas for sterilised cats, helping them maintain their ideal weight and urinary tract health.

At our core, we prioritise quality. We source the finest ingredients and adhere to rigorous quality standards, ensuring that every can of Classic Complete Meals delivers the best to your cat.

Elevate your cat's dining experience with our Classic Complete Meals, where flavour, nutrition, and satisfaction come together in every can.

## Princess Classic Gold

### A Feast Fit for Royalty

#### Highly Palatable and Digestible

Princess Classic Gold is renowned for its delectable flavors and easy digestibility, ensuring every bite is savored and nutrients are absorbed optimally.

#### Tailored Functionality

Our commitment to feline wellness is evident in our formulations, which address a range of health needs:

##### Odour Control

Say goodbye to unpleasant stool odour

##### Hairball Reduction

Our blend helps prevent hairball formation, promoting your cat's comfort and well-being

##### Gut Health

Our recipes support a healthy digestive system, ensuring nutrient absorption and regular bowel movements

##### Strong Bones

Essential nutrients promote strong and resilient bones, maintaining your cat's agility

##### Organ Support

We prioritize liver and urinary tract health, offering peace of mind for your cat's long-term well-being

KITTEN / ADULT

Healthy bones  
and muscles

Highly digestible

Healthy liver

Healthy Urinary Tract

Controls  
Stool Odour

# ecofriendly All Natural

CAT LITTER

## Unique eco-friendly all-natural cat litter

Princess Eco-friendly, all-natural cat litter is a sustainable choice, made from renewable resources like bamboo, corn, or recycled paper. It minimizes environmental impact, as it's biodegradable and compostable. This litter type is low in dust, hypoallergenic, and safe for both cats and the environment, making it a conscious and healthy choice for pet owners.

# PRINCESS SILICA GEL BASED CAT LITTER

Princess Silica gel-based cat litter offers superior odor control, low dust, extended longevity between changes, reduced tracking, lightweight handling, and allergen-free properties. Its non-clumping nature simplifies waste removal. Some varieties are environmentally friendly and biodegradable, contributing to a more sustainable choice for cat owners concerned about the environment.

- Antibacterial • Absorbs instantly reducing bacterial growth • Dust free •
- Earth friendly • Superior odour control • Lasts up to 40 days

# PRODUCT LINE

## SILICA-GEL BASED

Easy to Scoop

Fill the tray approximately a 5-cm layer of litter. Remove solid waste. Stir the litter thoroughly. Change the litter once a month. A change of colour does not affect power of absorbency.

It is also suitable for kittens, birds and small dogs. Litter can be disposed of in an environmentally friendly way.

- Antibacterial
- Absorbs instantly reducing bacterial growth
- Dust free
- Earth friendly
- Superior odour control
- Lasts up to 40 days
- Easy storage

# NATURE'S SECRET

## SHAMPOOS & CONDITIONERS

Our best whitening shampoo does not contain soap or detergent. Densely formulated to meet the special needs of white and light coloured dogs. It contains a natural optical brightener, no bleach or harsh chemicals, which can irritate skin and dry out coats. 'White coats' help to remove grease, oil, tear stains, and food.

Our best liquid silk conditioner for dry and damaged coats. Densely formulated, a non-greasy body-building formula with silk protein along with essential fatty acids and vitamins to create the ultimate moisturizer and conditioner for both skin and hair. 'Ultra Soft' has UV protection and can be used as a leave-in conditioner for light conditioning, static eliminator, and sun protection. 'Ultra Soft' is mild, PH balanced, natural, biodegradable, and safe to use with flea control drops.

# ***SUPER GRADE***

## **Training Pads**

PUPPY / SMALL ADULT / ADULT

## **SUPER ABSORBENT POWDER WHICH CONVERTS TO LIQUID GEL DROPLETS**

Dog training pads with super absorbent powder that converts to liquid gel droplets are highly effective for housebreaking and indoor training. They quickly absorb and solidify liquids, reducing leaks, odors, and mess. This technology provides a cleaner, more hygienic training solution, making it easier for pet owners to train their dogs and maintain a clean-living space.
